

YES TO MARTA NOVEMBER 2, 2010

As a Clayton County voter, **YOU** have the opportunity to give your opinion in a non-binding straw poll whether to join MARTA.

The ballot question: "Should Clayton County become a full participant in MARTA (the Metropolitan Atlanta Rapid Transit Authority) and levy a sales tax in support of MARTA and Clayton County's public transportation needs?"

The investment: The one cent MARTA sales tax would raise at least \$35 million a year in Clayton County.

The benefits: MARTA sales tax revenues could pay for a mix of commuter rail, local and regional bus routes, and bus rapid transit routes with stops in:

**ATLANTA • EAST POINT • FOREST PARK
• RIVERDALE • MORROW
• JONESBORO • LOVEJOY**

and with direct and easy access to all other MARTA destinations.
